This Financial Policy was approved by the Canton of Kappellenberg on 29 January 2001.

This Financial Policy was amended by the Canton of Kappellenberg on 17 May 2004.

This Financial Policy was amended by the Canton of Kappellenberg on XX May 2011.

1. This Policy is superseded by: Kingdom Exchequer Policy, Kingdom Financial Policy, Kingdom Law, Society Exchequer Policy, Corpora, State, and Federal Law.
2. This Policy shall be accepted and/or amended by a majority vote of the below defined Financial Committee using the method described below for the disbursement of funds (section 4.3.4). This policy shall replace all previous Financial Policies, and may be reviewed at any future canton meeting.
3. The Canton of Kappellenberg shall keep a regular bank account, at a bank of the Exchequer's choosing.
4. When there are monies in the account, they may be used by the Canton or by members of the Canton for SCA-related activities.

4.1 The Canton shall have a Financial Committee consisting of the Canton Seneschal, the Canton Chancellor of the Exchequer, **all Canton Officers who have received a warrant from a Kingdom Great Officer of State**, and all other paid members of the Society for Creative Anachronism (SCA) whom are in attendance, who are active in the Canton activities, including but not limited to meetings, dance practice, and fighter practice, and consider themselves members of the Canton. This membership shall not be limited by zip code or physical address. Financial Committee members should come prepared to produce membership information if they plan to vote. Those who are not paid members of the SCA Inc. may not vote in the Financial Committee, but should feel free to express their opinions on any subject.

4.2 The Canton shall have an Emergency Financial Board consisting of the Canton Seneschal, the Canton Chancellor of the Exchequer, and one other Canton Officer who has received a warrant from a Kingdom Great Officer of State. The third officer of the Emergency Financial Board will be chosen based on who is the most readily available. This Emergency Financial Board will have the power to make immediate allocations of canton funds up to \$50. They must confer before the allocation is spent. This conference may take place in person, over the telephone, or via electronic methods. The actions of the Emergency Financial Board must be reported to the Canton at its next regular meeting.

4.3 For funds to be disbursed, a plan should be brought to the Canton by the member who wishes to use the funds.

4.3.1 For projects and acquisitions, this plan can be a simple request for a sum of money (e.g. \$50 for tabard fabric and paint).

4.3.2 For event bids, this plan should include an itemized list of expenditures as well as the total amount to be allocated to the project (e.g. \$800 for site fees, \$500 for feast, \$100 for sanitation supplies, and \$50 for prizes for a total of \$1450 for the event).

4.3.3 If the total dollar amount requested is less than or equal to \$50, the Seneschal may motion a vote on the subject by the Canton Financial Committee. If a simple majority is reached, the amount shall be allocated and disbursed given there are unallocated funds in the account and the Chancellor of the Exchequer has no objections **based on law or policy**.

4.3.4 If the total dollar amount requested is more than \$50, the plan shall be brought up at the next regular meeting for a vote of the Canton Financial Committee. The Seneschal shall notify the canton that the vote will take place at a future meeting **at least 24 hours prior to said meeting**. Said notification can include calling members via phone, posting to the email list, **and directing the Canton Web Minister to make a note on the Canton web site**. If a simple majority is reached, the amount shall be allocated and disbursed given there are unallocated funds in the account and the Chancellor of the Exchequer has no objections **based on law or policy**.

4.3.5 If a regular member of the Canton is unable to attend, and knows ahead of time, he or she may send a proxy to vote for them. The proxy vote must be written, and received by the Seneschal

before the beginning of the meeting. This can be sent via regular US postage or via email to the addresses listed in the kingdom newsletter. The member may ask the Seneschal to reply that the proxy vote was received via email or telephone. Such proxies should include Legal and SCA names, membership numbers and expiration dates, and contact info. Should the member so desire, they may include a short statement that the Seneschal would read during the debate.

4.3.6 If there are not at least 5 members of the Canton Financial Committee present for any vote brought before them to disburse funds, then the matter shall be tabled until the next regular business meeting where at least 5 members are present.

4.3.7 In the event of a tie vote, a second period of discussion shall ensue. After said discussion, the canton can move to revote, or delay the vote until the next meeting. In the event of a second tie vote, the Seneschal shall cast the deciding vote based on **what** he/she believes is best for the group.

5. Current recurring expenses including, but not limited to the Canton Post Office Box, web site fees photocopies, and stamps, do not need to be approved by the Canton.

5.1 New recurring expenses should be approved via the method described in 4.3.4 regardless of dollar amount.

6. The Canton shall maintain a fund for a student group based at the University of North Carolina at Chapel Hill, even if said fund is reduced to zero funds and/or said group temporarily disbands.

6.2 Said student group may deposit money into said fund for later withdrawal and use.

6.3 The student recognized by UNC as the President of said student group may request funds be allocated and disbursed without approval of the Canton Financial Committee. Should the request follow any policies the student group imposes on itself and the Canton Chancellor of the Exchequer have no objections **based on law or policy**, the money shall be disbursed.

7. Event "troll" or check-in coordinators are deputies of the Exchequer for the duration of the financial period of the event. This includes, but is not limited to, the registration period before the Event, the check-in at the event, and the balancing of the gate-take after the event.

9.9 Refunds will not be made by returning an un-cashed check to the payee, or out of the cash box at an event, under any circumstances.
