Letter from the  
Baronage

Unto the Citizens of Windmasters' Hill, do we send greetings and salutations.

During kingdom war practice we, once again, proved the might of Windmasters' fighters. Not to be left out were the service kitties who worked hard to support the practice. Thank you to all those who came out to support our kingdom. War looms on the horizon and we must provide all the help to our King and Queen that we can. This will require our expertise in fighting, our amazing artisans, and all the support staff we can provide to ensure peace will follow. Please send us your award recommendations. Their Majesties have allowed us the honor of bestowing a limited number of AoA level awards so if you know someone worthy let us know. As always we are available to listen to any and all amazing ideas, any complaints, or if you just want to converse. Keep in mind it is our honor to serve this barony and each and every member in it. Oh, and articles for the Windlore are always a great idea! We look forward to seeing you soon at an event near (or far) you.

Daemon and Typhaine Baron and Baroness

Letter from the  
Chronicler

Greetings to the Populace of Windmasters' Hill,

If you are hesitant and want someone to help you proof read something, please feel free to reach out and I would be glad to lend a second set of eyes to your submission.

Other news, I will be unavailable between April 28-May 6. Should you have a concern in that timeframe, feel free to email me and I will respond as soon as I am back in country.

Yours in Service,  
Lady Æsa Þorarinsdottir
