## 2024 Year End Review

### A letter from the editor...

This past year has been one that will surely be recorded in the annals of history. A year full of laughter and love, good food with neighbors, and the plundering and pillaging of the villages of our enemies. As I sit here and reflect back on the trials and tribulations of the past year, gingerly sipping wine from the skull of a fallen foe, I can't help but tear up as I think back on all that has happened.

I only hope that you, dear reader, receive as much enjoyment from the retelling of our conquests in this 2024 Year End Review extolling the greatness of the Canton of Attilium as I have in writing it.

-Lady Siobhan inghean etc. etc. etc.

Congratulations to Lady Erna Mani (pictured left) who received her Baronessery and is henceforth known as Baroness Squirrel and who is looking quite dapper in her circlet!
